Hi Ray,
I don't think I got this before you e-mailed it to me.
We'll take a look at it.
Thank you,
Matt

Subject: Petition Letter Sent Sept 7th, 2014

Hello Matt:

I am following up on a petition letter dated Sept 7, 2014 seeking the use of a dry scrubber instead of a wet scrubber for a pyrolysis waste to energy project at Fort Irwin. Copy attached.

Could you let me know the status of the petition letter?

Thank you,
